

Permitting Information

PERMITTING INFORMATION

ALL PERMIT APPLICATIONS WILL EXPIRE IF PERMIT IS NOT OBTAINED WITHIN 30 DAYS OF APPLYING

Building, Electrical, Fuel/Gas, Plumbing, and Mechanical Permits

Permits are valid for 6 months from permitted date.

Call (229) 776-8202 to schedule all inspection.

Demolition Permits

Permits are valid for 60 days from permitted date.

All debris is to be contained in a rollback dumpster or hauled away from property daily.

Cap off all utilities.

DO NOT BURN ANY MAN-MADE MATERIAL.

Call (229) 776-8202 for a verification inspection when demolition is complete for tax purposes.

Removal Permits

Permits are valid for 30 days from permitted date.

All debris is to be cleared from property after removal.

Call (229) 776-8202 for a verification inspection when structure is removed from property for tax purposes.

Building & Zoning may extend the validation of permits, if contacted by permit holder prior to permit expiring.
